**Pacific Gardens Nursing & Rehabilitation Center has a top notch Food Services Department. One of our former patients Joan K. loved the food so much she took the time to journal and compliment on some of her favorite meals. Here are just a few of the many meals that she wanted to be sure to recognize our employees for making.**

***"This was the best Easter Dinner Ever! It reminded me of the Easter dinner my Mom fixed. She always had ham & lemon meringue pie. God Bless you for the memories, you are the best!"***

∞

***"OK my goodness that was really wonderful fish. I need to know how you made it? Please tell me! My Mom was a wonderful cook and you almost beat her and that is saying something! Thank you!"***

∞

***"Everything was delicious! Especially the roast! The potatoes, veggies, and even the dessert! Thank you so much!"***

∞

***"Oh soooo good! I never thought to put a slice of cheese in the middle of an egg before! You teach me something everyday to make life more interesting. Thank you so much, it was so good!"***

∞

***"Great Lunch, bless you all for your hard work! I especially loved your lemon dessert, it was so good!"***

∞

***"The French toast was delicious; it has been a long time since I had that!"***

∞

***"I love you all, I miss my dog Peggy Sue, but once I am home I will miss your good food and you!"***
